2019 Book Packages

Again this year we have identified AASTAT Office National as the local supplier who will supply the complete book package at a competitive price and a high level of service. The service provided ensures you have all the correct items and they are of good quality.

The school's fundraising is assisted as a percentage of the sales are retained by the school.

Parents do not have to order from this supplier and can choose to "shop around" various suppliers .

*** NB: Return to AASTAT by: 28th December, 2018**

On lists, back by this date, we will donate to the schools' fundraising a percentage of sales of all items .
