Classroom News

January/February 2017

NOTES

Welcome to Unit J!

We have had a wonderful first week getting to know our new class and we are very excited for the year ahead.

WHAT WE ARE LEARNING

We have started the year with our Technology unit. We are learning about parachutes: how they work, the history of parachutes and different designs. Ask your child if they can explain to you how a parachute works using technical language (gravity & air resistance).

We will be starting to look at time in Maths and we are going to be learning about persuasion in English.

UPCOMING EVENTS

Wednesday 01 February 2017

Parent Information Session – in Unit J
