

Norville State School

Growing and Learning Together

NORVILLE NEWS – Week 4 (31 July – 4 Aug)

CELEBRATING SUCCESS

Congratulations to our chess teams that competed at the Wide Bay Interschool Chess Competition on Tuesday. All students who participated should be very proud of their efforts, with Charlie M, Eamon L and George H competing for the first time. Well done to Norville team 1, who came 2nd overall. The students in Norville team 1 are; Scott R, Kaelan R, Flynn D and Jasper W. Congratulations to Norville team 2 who came 3rd overall. The students in Norville team 2 are; Chaz D, Cooper K, Wyatt H and Zahli R. Students who received ribbons of merit for effort include; Scott R, Kaelan R, Chaz D, Wyatt H, Deklan L, Cooper K and George H. Well done to all students involved. The students who are part of chess at Norville SS will now be focusing on the annual Norville Chess Competition. Thank you to Mr Lister for all of your time and effort in making this possible for our students.

Colour Run

Our students were given the opportunity to participate in the Colour Run yesterday, and did they have a ball! Students were so excited, they had their rainbow headbands on and their coloured glasses, they were ready to run their laps, get covered in coloured powder and have some fun. Our P&C Association did a fantastic job of the course, which unfortunately did not include the inflatables due to high winds on the oval. The Colour Run is one of the P&C Associations major fundraising events and they go all out to make sure that students have a memorable experience, thank you for all of your hard work.

Mobile Phones

Students who bring mobile phones to school are required to hand them into the office before school and pick them up after school. Students are not to keep mobile phones in their bags. When students drop them into the office, they are kept safe in a plastic pocket with the students' name. If students are found to have their mobile phones on them during school time, they will be asked to hand them into the office. Students who are found using mobile phones during school time or at lunch breaks may have further consequences as outlined in our Student Code of Conduct.

District Athletics

Congratulations to the students who have been invited to attend District Athletics on Thursday 10 August and Friday 11 August. Both sports days will be held at St Luke's this year. The students attending will be representing Norville State School, this is a privilege, and as such students who attend need to meet the expectations of behaviour, following our school rules of be safe, be respectful and be a learner.

Mrs Geiger returns

Mrs Geiger has been in Canada for the last 7 weeks, visiting family and exploring the country. Mrs Geiger will be returning on Monday. This in turn means that I will be moving back to the Deputy Principal role, working 4 days a week with Mrs Warner replacing me 1 day. Thank you for making my time as acting principal enjoyable.
